## Media Release & Communication REQUIRED

I, the parent or guardian of the student participant(s), do understand that photographs or videos taken during religious education or youth ministry events may be used in St. Joseph Roman Catholic Church's newsletters, bulletin boards, church monitor, web pages, or other publications.

I also understand that Flocknotes are used to communicate with family and/or high school students and agree to be added to the appropriate list for my child(ren).

Furthermore, I understand that in high school youth ministry, the use of social networking websites and tools, especially Facebook and Instagram may be used to effectively communicate with teens. I understand that I will be contacted when my teen(s) has registers for reception of communication. Ultimately, I am responsible for my children's communications, but I understand that these tools are used for the means of effective communication.
